Re: Sheltercare PREA audit report

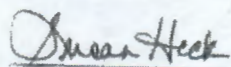

Dear Ms. Lumpkin:

Attached you will find the final Prison Rape Elimination Act (PREA) Audit Report for the Sheltercare Program. The facility was found to be in compliance with the Prison Rape Elimination Act and we offer you our sincere congratulations on this achievement.

We want to thank you, the program director and all your staff for the cooperation and assistance they provided. The spirit of teamwork and cooperation at all levels of the organization was extended to us from the very beginning, which helped keep us all focused on the prevention, detection and elimination of prison rape as the law intended. Please extend our thanks and best wishes to your staff; their commitment to the residents in their care was very apparent and contributed greatly to this successful outcome.

Again, our best to all of you and we commend you on achieving compliance and on jobs well done. Please feel free to contact us with any questions.

Sincerely,

Susan P. Heck, Susan Heck Consulting, LLC
